

# **ADDRESSING AUTOIMMUNITY: from the metaphysical to the physiological**

## **Roots & Skies**

*Remembering our roots,  
reaching for the skies.*

**A conference committed to:**

**Honoring our Elders,**

**Celebrating innovations  
in Naturopathic Medicine.**

**May 30 – June 1st, 2025  
Delta Downtown Hotel  
Saskatoon, Saskatchewan**

The SAND is proud to present *Healing Skies 2025 - Addressing Autoimmunity: from the metaphysical to the physiological.*

This is the fifth biennial conference hosted by the SAND, and all four previous conferences were a tremendous success. Thank you to our past sponsors, you were instrumental in making them possible!

Our conferences are dedicated to maintaining the *vis* of our medicine, and we aim to provide high quality education for our dedicated doctors, re-connecting attendees with the grassroots origins of the profession, while also appreciating the emerging research and trends in medicine, and healing.

Vendors, presenters, and delegate attendees have raved about the unique experiences we have offered to the Naturopathic medical community at our one-of-kind conferences.

This year we are focussing on Autoimmunity, and the hypothesized underlying energetic, immunological, endocrine, and genetic causes of autoimmune illness, and how to approach this myriad of conditions from all of the naturopathic medical modalities.

We would like to invite you to participate, once again, or for the first time, in our 2025 event. The conference venue is located on the beautiful banks of the South Saskatchewan River, in downtown Saskatoon, Saskatchewan, the [Delta Downtown Saskatoon Hotel](#).

This is a centrally located venue that is a close walk to many amenities including the Saskatoon downtown, its pathways and parks, the mighty river, and many local businesses including shops, cafes, restaurants and more. It is only a short 15-minute drive from the airport.

We anticipate a healthy number of delegates for 2025, and this promises to be a wonderful opportunity for your company to meet face to face with Naturopathic Doctors from the prairie provinces and beyond. There will be a virtual option for conference attendance as well, though our focus will be on marketing the in-person experience.

A key component to our conferences is the focus on creating community over the course of the weekends. A gala awards evening, and a casual social dinner are all included in the conference fees, and everyone is welcome. We love to not only expose our delegates to vendors during the trade show hours of the conference agenda, but also to provide opportunities for social engagement, and to build real relationships between company representatives and participating doctors.

Please take a moment to review the various sponsorship levels and opportunities, and once you are ready to show your support, please head over

to our [VENDOR REGISTRATION SITE](#) and register to support the conference, and profile your company.

We look forward to having you [contact us](#) with questions, and to seeing you under our healing skies!

**This year we are offering a new level of sponsorship!** In the past, we have had several of our generous sponsors involved in BOTH the purchase of a spot in the tradeshow, AND support the hiring of our speakers, and this year we decided to provide you to do both, for one price.

For **\$3495** +taxes you can SPONSOR A SPEAKER and receive a Silver Booth, included in the sponsorship price. This means that your company will be recognized numerous times throughout the weekend, profiled in the virtual conference booklet, and on our website, and will have the opportunity to introduce your speaker on behalf of your company. The additional funds will go towards speaker honorarium and accommodations.

You will have the opportunity to submit an abstract on behalf of a speaker, or we can associate you with a speaker that has been selected by our conference committee.

Should you wish to upgrade the booth from Silver to Gold, the price would be **\$3995** + taxes, and from a Silver to Platinum booth, your cost would be **\$4995** + taxes.
